My love

You burst into my life
(unexpected, but hoped for)

You bring
smiles
joy happiness hugs

You make me feel
safe welcome
sexy
alive

You
can do no wrong
are beautiful (as no one else is)
are magic

In the words of

Paul McCartney:
I want to fill the world with silly love songs!

Joni Mitchell:
I want to knit you a sweater
write you a love letter
make you feel better
make you feel

David Wilcox:
I look into your eyes,
and suddenly I knew you all my life.

But

Now you (we?) are changed

You said what?

But my love would never ...

We are fighting!

My love, why are you leaving me!

Now

You bring me

pain solitude

anger

why are you leaving me ...

(why am I leaving you?)

Joni Mitchell:

I made my baby cry

David Wilcox:

We both had built our hopes up, but the love just slipped away.

Something about me leaves you cold

something even you don't know.

Jackson Browne:

When you see thru love's illusions

There lies the danger

Oh my (not) love

May you find

peace

happiness

forgiveness

(just not with me)
